

# PURE CANDLES

Did you know that the Timber® Candle Collection from Vance Kitira has received a significant certificate by SGS Multilab in Rouen?

**Pure candles with no emission of harmful or cancer causing particles**  
 Vance Kitira was established in 1993 by Thai forester Vance Kitira. The success behind the brand is derived by Vance's own love for Nature and his unique ability to translate it into fashionable products, while protecting Nature and its inhabitants in return - and the belief that ecofriendly is far from equal to high prices.

Celebrate Life...  
 Light a Candle.
